ALLURE

ALLURE is a **contemporary-style bed** with simple lines characterized by sophisticated **details in bronzed brass**. The ALLURE bed is the result of research and tradition, the true spirit of **high-quality furniture** emerges from its style. Finished with precious materials based on **ancient craft techniques** handed down over the years from father to son.

The ALLURE bed is available in two versions: with a smooth headboard and with an embroidered headboard called ALLURE/E
