

Wynwood

DINING TABLES

Essential shapes and clean lines characterize Wynwood dining table. The imposing structure and the important dimensions are softened by the smoked glass panels, which give lightness to the whole. The brown, greys and smoky hues that feature the piece lend the whole a timeless elegance with a metropolitan appeal.

Dining table with structure in solid beech wood dyed Smokey Grey, shaped with variable section by CNC technology, with irregular curves and finger joints, assembled with retractable pins.

Base and top with inserts in laser-cut smoked mirror, fixed to a reticulated structure with concealed hooks.

Central part of the top in multilayer wood, finished in Tay Veneered Dyed Smokey Grey.
