

zanaboni

LEONARDO

The LEONARDO **seating set: armchair and sofa**, is the **Baroque-inspired ZANABONI proposal**. The distinctive elements of this style are the shape and the decorations carved in the wood embellished by the gold leaf finish which has been given thickness through the use of the ivory patina. Its style represents a vision: the art of living through furniture and accessories in which design, style, materials, unprecedented processes and tailoring create new aesthetic codes.
