MODULAR SOFAS

Malawi is a welcoming, refined and charming sofa whose design is inspired by the deepest soul of the brand Roberto Cavalli: a piece of furniture with a feminine and ultra-chic style that can be found in the seductive lines and in the sensuality of the nabuk upholstery in a delicate shade of pink.

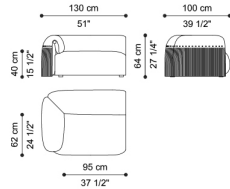

The artisanal tradition in the leather manufacturing, another typical element of the fashion brand Roberto Cavalli, can be found in the decorative fringes enriching the armrests of the sofa. Perfect emblems of the sartorial skills of the brand, these elements also represent a direct reference to the ethnic theme that has always been part of the DNA of the brand.
