ARMCHAIRS

An original and comfortable shape for Bonnie: halfway between an armchair and a chaise longue, it is characterized by the backrest that continues on the seat and on the lower part, replacing the legs in the front. The oblique rear legs add an intriguing vintage note, while the upholstery available in the different fabrics of the collection, including Prince of Wales and other menswear fabrics, is in line with Gianfranco Ferré's deepest identity.

ARMCHAIRS

Armchair with structure in beech wood and foam. Upholstery in fabric or leather from the collection. Back feet in wood with Black Lacquered finishing and tips in Brushed Bronze Lacquered finishing. Front base in metal with Brushed Bronze finishing.
