SOFAS

Contemporary elegance and metropolitan spirit for the York sofa. Perfect for a modern and luxurious living room, the sofa recalls the business-oriented environments of the American cities.

The simplicity given by the linearity of the design is balanced by the refinement of the tailoring, that enhances the link with the world of men's fashion. The decorative inserts of the armrest recall the tailored suits of businessmen and their bags. The contrast between colours and materials - nubuck in a neutral and delicate shade of grey for the upholstery and dark brown leather for the details - gives a strong and modern character to this ensemble with its transversal and sophisticated aesthetic.
