## TORTONA

TORTONA is an **impressive sideboard** in mocha-stained heat-treated oak with **champagne-finish brass details**. Versatile and elegant, TORTONA is an **elegant piece of furniture** with hinged doors and a robust, durable, and practical appearance. The simple refinement of its **timeless design** offers a sense of order and beauty. Its sweeps make it a **multipurpose piece of furniture** in which it is possible to store many objects to ensure an orderly appearance to the entire environment.
