

Watamu

CONSOLES

Watamu: an original set of two consoles with an evocative name that pays homage to the well-known Kenyan location.

The essential and minimalist lines of the composition are enriched by the exuberant and sophisticated decorativism typical of Roberto Cavalli Home Interiors brand: one of the two elements is in animalier laser-cut metal, while the other is in precious wood of the collection.

Watamu

CONSOLES

Set of two consoles.

Higher element with structure in calendered iron with laser-cut animal design, in the brushed finishings from the collection.

Lower element in curved multilayer wood veneered in essence from the collection, or lacquered in the finishings from the collection.

Brass plate with RC monogram on console side.

Console must be fixed to the wall.
